WEB RESUME

Frontend with visual judgment, clean structure and attention to detail.

I am studying Multiplatform Application Development and I focus my work on clear, responsive and maintainable interfaces. I enjoy building web experiences that work well, read quickly and feel cared for both visually and technically.

6+

published web and software
projects

C1

English with international
academic experience

2024

dual DAM program start

Technical stack

Frontend

Semantic HTML5, responsive CSS, JavaScript, accessibility, interface states and CSS animations.

[HTML5](#)[CSS](#)[JavaScript](#)[Accessibility](#)

Programming

Java, Python, C++, C#, PHP and object-oriented programming applied to academic projects.

[Java](#)[Python](#)[C++](#)[C#](#)[PHP](#)

Data and systems

SQL, XML, Linux, Cisco and Odoo as a base for understanding data, networks and work environments.

[SQL](#)[XML](#)[Linux](#)[Cisco](#)

Product

Visual design, responsive UI, content organization, teamwork and problem solving.

[UI](#)[Responsive](#)[Teamwork](#)[Product](#)

Selected projects

DigiDeporte

Multi-page sports store with catalog navigation, product views, support pages and a commercial presentation.

[HTML](#)[CSS](#)[JavaScript](#)[PHP](#)[Open demo](#)

Real estate agency

Academic object-oriented application for managing properties, entities and query flows from the terminal.

[Java](#)[OOP](#)[Data](#)[View code](#)

Android Studio demo

Mobile app built with Java and XML, published in a testing environment to validate interaction and navigation.

[Android](#)[Java](#)[XML](#)[Try demo](#)

Education

2024 - Present

Dual Higher Degree in Multiplatform Application Development

Training focused on programming, databases, web development, mobile development and systems.

2023 - 2024

Rey Juan Carlos University

Degree in Science, Management and Service Engineering. Early university experience with technology, management and teamwork.

2022 - 2023

Salmon Arm Secondary, Canada

Scientific baccalaureate studied in English, with academic and cultural immersion.

Working style

Visual care

I pay attention to hierarchy, spacing, contrast and consistency so the interface feels intentional, not improvised.

Active learning

I try to understand why each technology is useful and apply what I learn in concrete projects.

Communication

I work well in teams, ask when needed and make an effort to explain solutions clearly.
